It is the general policy of First Christian School to transport to the local emergency room any child who is injured while in our care and requires emergency treatment. This authorization will allow First Christian School to obtain medical care for your child. It will also allow hospitalization, diagnostic testing, surgical procedures, and/or the administration of medications to my child if deemed necessary by a physician in an emergency situation. We will follow this general policy if the person in charge judges that a delay in securing treatment would not be in the best interests of the child. I understand that this authorization does not release the school from the responsibility to properly notify me (or someone designated by me) as soon possible in an emergency.

\_\_\_\_ YES, I want the above procedure followed for \_\_\_\_\_

I hereby authorize the calling of our family physician, or if not available, another licensed physician at my expense to provide whatever emergency medical or surgical treatment is necessary.
